COMPANY PROFILE

We wish to introduce ourselves as Engineers having wide experience in the field of Air conditioning and Refrigeration. We undertake operation and maintenance of Refrigeration & Air conditioning plant, which includes overhauling of centrifugal chiller units. Reciprocating Compressors, Re- tubing of Condenser and Chiller units. We also undertake turnkey projects in Central Air conditioning equipment's. Add to this we have the dealership of M/s Carrier India

Our team comprises of qualified and experienced engineers and technicians who are well versed with both mechanical and electrical works so that trouble-shooting and rectification can be attended promptly.

We are enclosing herewith list of customers we are catering to. We wish to extend our expert service for the smooth and trouble-free operation of your A/C and Ref. Systems.

We have the following registrations:

- 1) Sales Tax No.
- 2) ESIC.
- 3) Provident Fund.
- 4) Service Tax No.

Thanking you,

*Yours faithfully,
For AIRTECH SERVICES PVT.LTD.*
